Foreword

The PATRIOT, as a new publication for Memorial High School, will not dedicate its first volume. Instead, we will adopt the dedication made for the new High School. That is, in the memory of all those members, of Edgewood Independent School District schools, who have gallantly given their lives in defense of their homes and country. Those of us who remain behind are indeed proud to have known and to have associated with such upstanding members of the community and school.

We regret very much that human nature will not allow people to live in peace among their fellow men. That greed and avarice will drive man against man and nation against nation. That to protect homes and loved ones, some must eternally be sent to do battle against the foe. To overcome human nature to the greatest extent possible, schools are built to teach that wars are not fruitful for anyone, and that intelligent use of all resources, human and material, is the only sensible way to live. If the dedication of Memorial High School to these principles will save one human life and provide for the safety of one stick of property, its cause will be served.

Mr. S. R. Fuentes

Mr. Clem Galan

Mr. Juan Garcia

Edgewood Independent School District Board

Mr. Gil Pompa

Mr. Joe G. Rivas

Mr. Felix Ybarra

Superintendent

Mr. Bennie F. Steinhauser

Mr. Steinhauser is Superintendent of the Edgewood Independent School District and has served in the past as teacher, principal, and assistant superintendent. He is a member of the Edgewood District Teachers' Association, which he served for two years as president from 1951 to 1953. Mr. Steinhauser received his B.A. and M.A. degrees from Trinity University, and has done graduate work at the University of Texas. In addition, Mr. Steinhauser has been very active in a wide variety of educational and civic organizations.

Mrs. Lucille L. Santos

Our principal is well fitted to lead Memorial High School as the "School of the Seventies." Her experience as principal of Cenizo Park Elementary School for years; her service as principal of Truman Junior High School and Assistant Superintendent for Secondary Education in Edgewood Independent School District have given her an experience unequalled by any other person. Also, the experience she has gained while working with the "Head Start" program and as a member and chairman of many committees and conferences dealing with educational and legislative aspects of her chosen profession qualify Mrs. Santos uniquely. The enthusiasm she generates is easily transmitted to, and infects, members of the faculty and the student body, instilling in them a desire to strive for ever greater heights.

Under the expert guidance and leadership of Mrs. Santos, we are convinced the "School of the Seventies" will become the "Super School" it was dubbed by newsmen.

Mrs. Santos addresses faculty meeting.

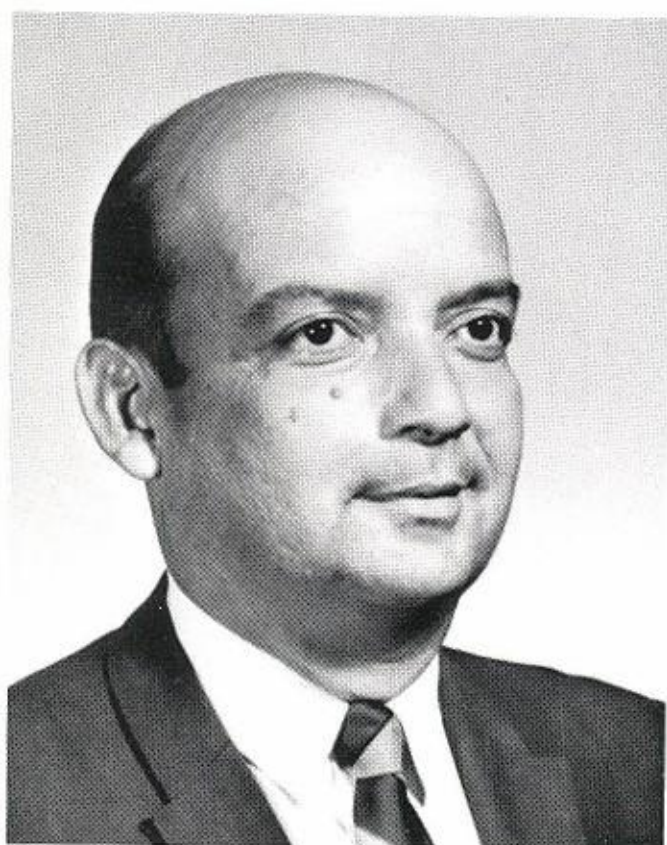

Mr. Dillard Isabel

Solving problems

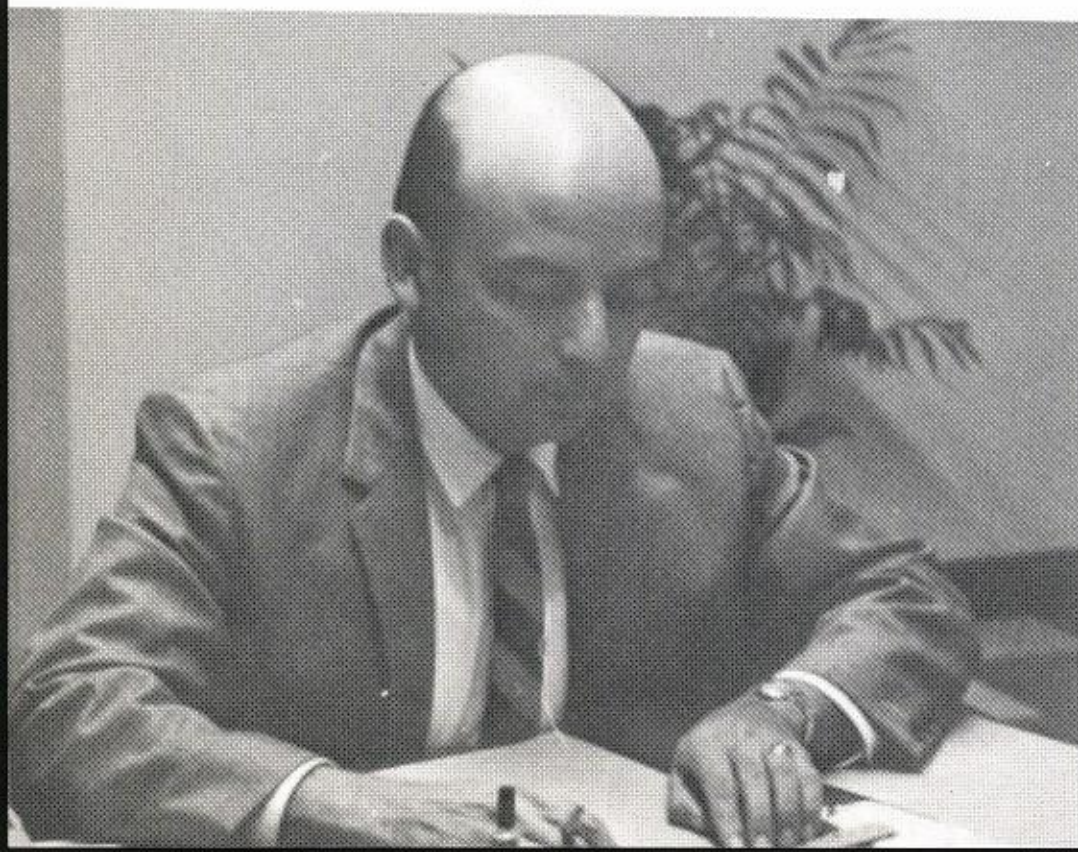

Mr. Julian Suarez

Mrs. Helen Montez

Why do you suppose he was absent?

I'd better recheck this bulletin.

Mrs. Lucy Gomez

Mrs. Gomez is our Registrar, Pep-Squad sponsor, and Dean of Girls. She gives the impression that she is happiest when working the hardest.

Above: Mrs. Gomez hard at work in her office, and (below) engaged in extracurricular activities.

Mrs. Coole planning a conference

Mrs. Coole, as Counselor, has her hands full administering tests, solving problems, and making home visits. We all appreciate her kind understanding and sympathy.

Students attending concert of San Antonio Symphony at the Kennedy High School.

Clubs

The Memorial High School Junior ROTC Battalion

Memorial Junior R.O.T.C.

The Memorial High School Junior Reserve Officers Training Corps is dedicated to the building of characters and physical stamina in the members of its corps. The preparation received by the students will stand them in good stead whether they continue in college and pursue the Senior ROTC, or whether they become members of the community earning a liveli-

hood for themselves and their families. In addition to the drill procedures, ROTC students are given instruction in administration of military units, rifle marksmanship, competitive drill with other school units, and a wide variety of information which is both useful and beneficial.

Undergoing Federal Inspection

The Color Guard for the Memorial High School R.O.T.C. consists of the Commander, James Lee, and members, Earnest White, Alfred Guadarrama, Jose Rosales, and Robert D. Lopez.

Christmas placemats for the shut-ins.

The Red Cross Organization of Memorial High School was organized for the purpose of carrying out the specific function of the American Red Cross.

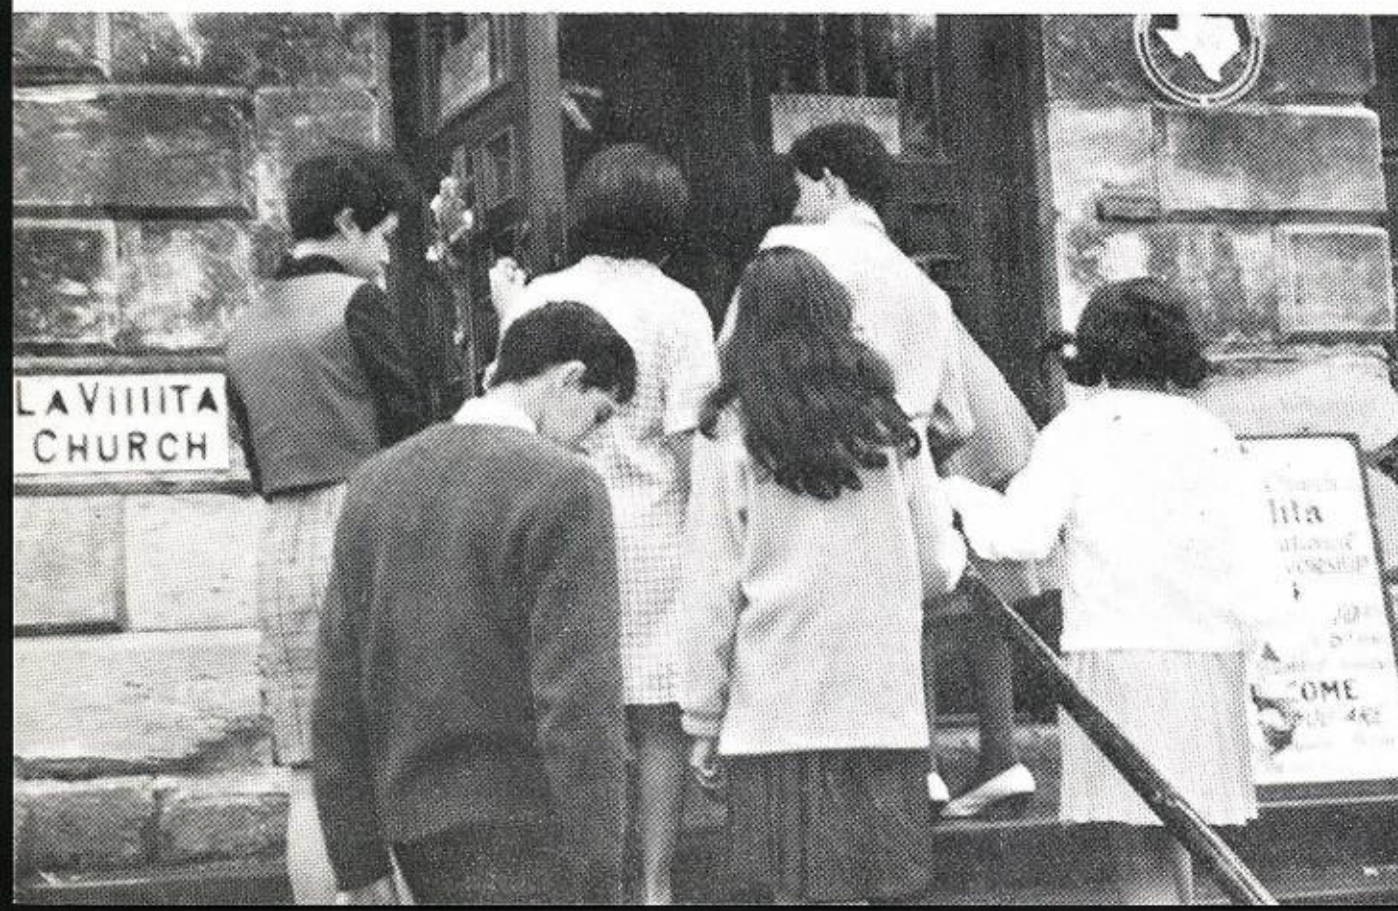

The boys and girls were responsible for the projects listed below:

Welcome Home for the Blind and Aged; Halloween decorations for Grace Lutheran Hospital, and Convalescent Home; State Hospital on South Presa.

The Christmas projects included cheer for: Grace Lutheran, Welcome Home for the Blind and Aged; T.B. Hospital and Little Church of La Villita.

A Christmas tree was decorated and placed in the Ella Austin Home for Orphans.

Each member of the organization must complete the Standard First Aid Course.

FUTURE SCIENTISTS OF AMERICA

The FSA are dedicated to the idea of preparing themselves for careers in any of several scientific fields. Investigating phenomena of physical science, the students learn the direction of their interests. Many distinguished American scientists can look back upon their school days for the inspiration which placed them on the road to greatness.

Enroute to St. Mary's University on a field trip.

Enroute to St. Mary's University.

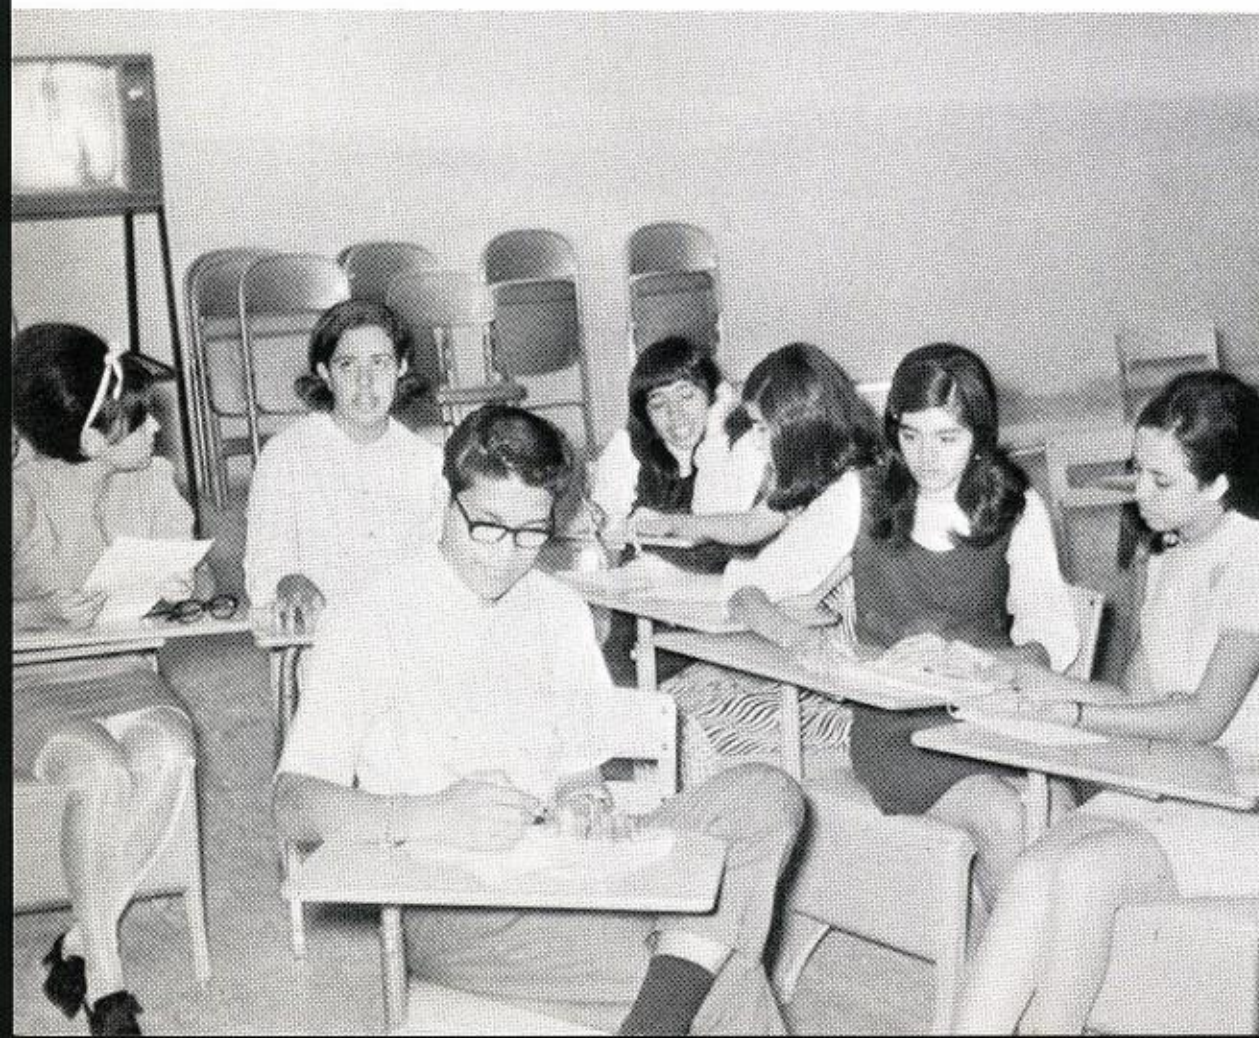

The Annual Staff being given planning information by Mr. Warren Uecker.

Patriot Staff

The dedicated ones!

The PATRIOT staff is formed for the purpose of preparing a yearbook which will present the history of events, occurrences, and the people who make up Memorial High School. All too often the staff of a yearbook becomes so wrapped-up in their work they overlook what they themselves are doing.

The Memorial High School yearbook, the PATRIOT, is being published for the first time during the first year of the school itself. Although the formation of a staff presented innumerable problems, a dedicated group of students gathered and grappled with ponderous problems of deadlines, copy, pictures and a host of other unfamiliar terms. Though innumerable, the problems were not insurmountable. The group of dedicated students proudly presents the results of their efforts for your enjoyment and pleasure.

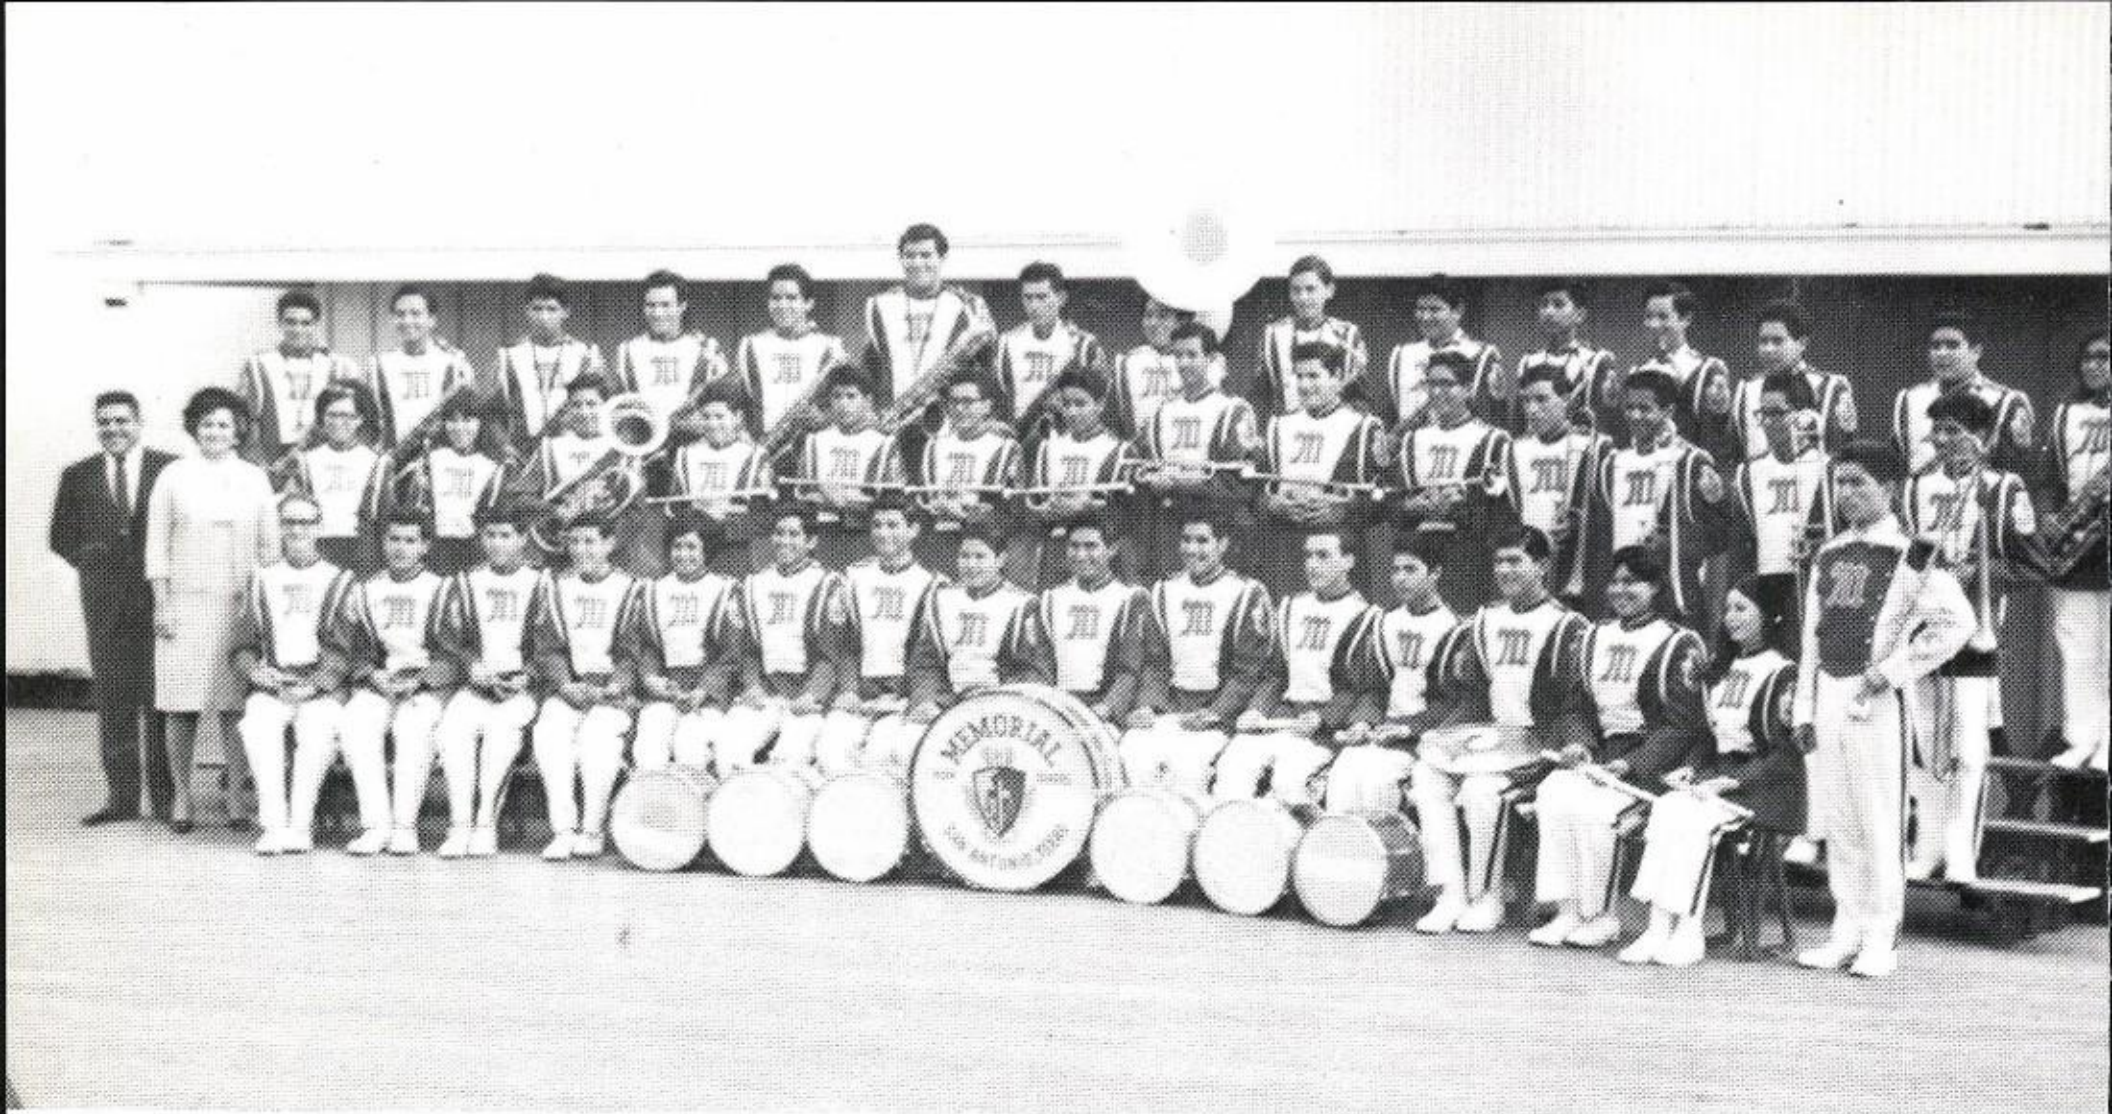

Mr. Uecker talking to the annual staff members on planning the yearbook.

Our chief executive!

Moving day! Into our new classroom.

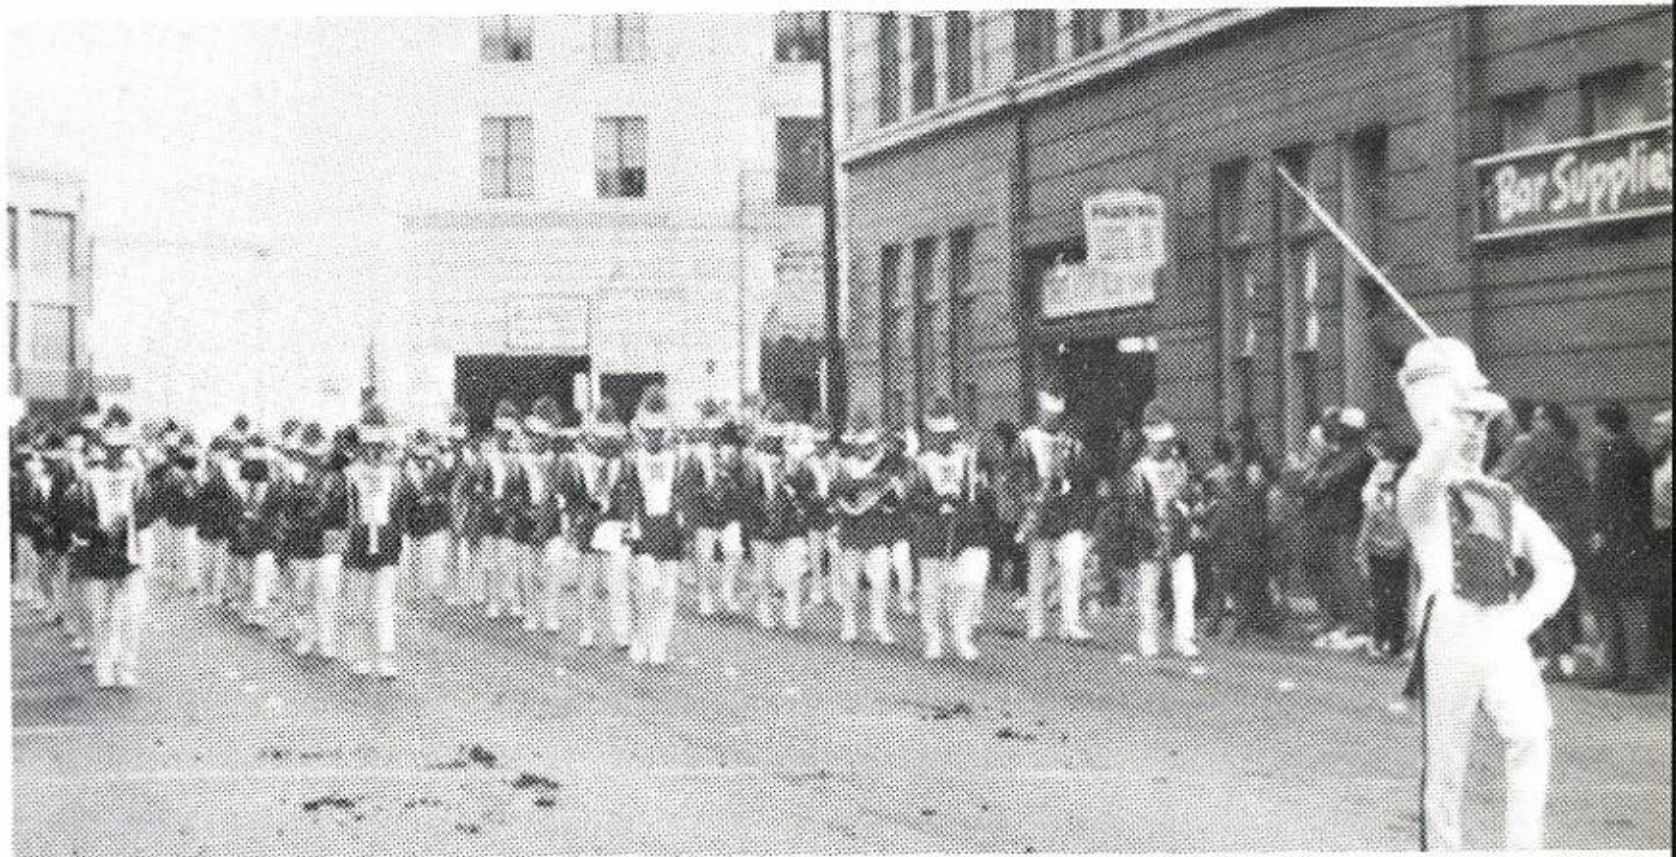

Everything's new! Especially the uniforms.

Lots of hard practice - - -

- - - pays off!!

Band Puts School On Map

Our Memorial High School band has a dual function . . . providing instruction to the students and representing the school. The former is the more important function, and has been fulfilled by Mr. Elizondo in an exemplary manner.

The second function, of representation, has been met by appearances at athletic events, at parades, festivals, and at meetings such as the Parent-Teachers Association, and at other functions for which music is desired. Highlights of the year were the band's appearances at the Convention Center for the District Festival, the Laredo Washington's Birthday celebration, and two appearances at the Hemisfair to entertain its visitors from the world around.

Drum Major
Roy Alcala

The Memorial High School Pep Squad and Honor Guard

The Pep Squad serves Memorial High School as a model for all students and faculty to follow in the display of school spirit at athletic events when our teams are competing. The girls serve also as an

inspiration for all students in the high moral character demanded of them in their role as school leaders and representatives. We are especially proud of the Pep Squad and Honor Guard.

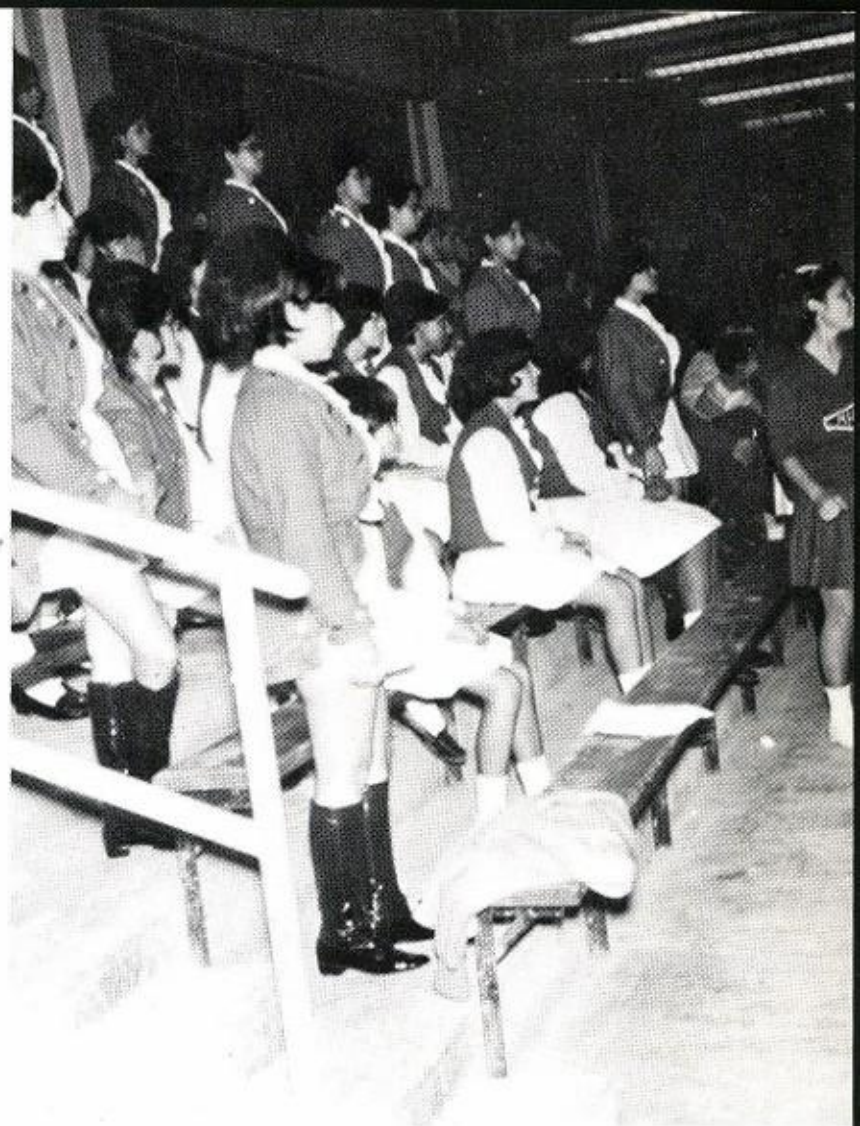

Before!

After!

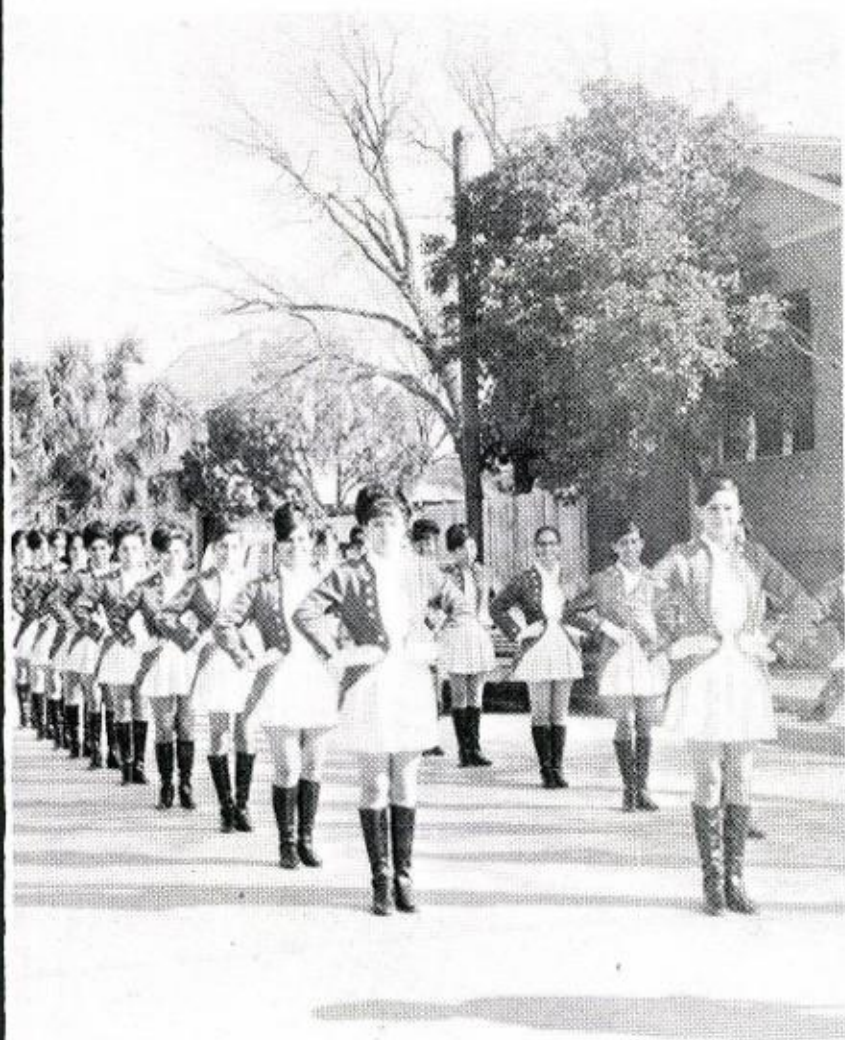

Five Cheers for Our Cheerleaders
Nancy Vasquez, Andrea Montez, Diane Muniz,
Lamar Gutierrez, Eva Velez

Pep Squad & Honor Guard at Basketball game.

Some of the responsibilities met by the Pep Squad and Honor Guard this year have been service at the District wide Career Night, the band festival held at the HemisFair Convention Center, marching in the

parades for the Livestock Show, and representing our school at the Washington Birthday celebration at Laredo, Texas.

Honor Guard in Laredo

Enthusiastic Cheerleaders at Pep Rally

The Distributive Education Clubs of America are organized to carry out principles of youth leadership in fields of merchandising and marketing. Annual meetings at the local, state, and national levels select students who display the best attributes in these fields. In addition the election of officers for each level brings recognition to the students and to the schools. The aim at Memorial is to work toward having one of our students as a future National president of DECA.

National Honor Society holds organizational meeting.

The Memorial High School Chapter of the National Honor Society was established to recognize and encourage scholarship, as well as the other personality traits: Character, Leadership and Service. A national meeting of secondary school principals in 1921 proposed the first charter and chapter in their search for means to honor their best-achieving student citizens. Membership is granted after proof by students maintaining the high standards in the cited four qualities. The "Sons of Liberty" Chapter, with 33 members, was so-named by its first president, Gilbert Diaz, and is among more than 13,000 national Chapters.

The Installation of members

Mrs. Isabel DeLaGarza with her Art Class: Freddie Aguinaga, Sandra Garcia, Lupe Zamora, Richard Celestino, Glafiro Gomez, Abel Garza, Joe Alvarado, George Cervantes, Donald Garza, and Cruz Pastrano.

Ribbon scraps turn into Angel of beauty

The Art Club is organized for the purpose of giving the students an appreciation for the many things of beauty to be found in the world. Projects include decorating the school for holidays and special events, creation of individual art work, and group preparation of decorative banners, scrolls, and bulletin boards.

Thespians' Club Meeting

Thes

The Thespians of Memorial High School have emerged as an excellent dramatic group, capable of emoting the most complex drama or comedy, or the most simple. To prove their abilities, this year the students presented "The Bishop's Candlesticks" and the hilarious comedy, "Arsenic and Old Lace."

Student

President—Carlos Rosales

The Student Council of Memorial High School is responsible for the conduct of student government for the student body. Each advisory and club elects its own representatives to attend meetings and relay information to the group of the current and projected events. The Council conducts elections for such various activities as "Football Sweetheart", Queen of Hearts, and most importantly, the officers who will serve the Council during the following

officers Carlos Rosales, President; Ruben Encino, Vice President; and Cristina Ramirez, Council Secretary.

year. Many activities are planned and carried out by the Student Council, including the annual "Food For The Needy" project each Christmas period to enrich the lives of some members of the community; dances; carwash; "Student Leadership Day"; and participation in the Alamo Association of Student Councils. Our aim is to be elected one year as 'President School' of this group.

Musket staff at work

Writing news for the Musket

THE MUSKET

The Musket is the School newspaper dedicated to publication of news items of particular interest to the student body of Memorial High. At the same time, the Staff is gaining experience which may lead to a career in journalism. During this School year, several editions were published, each having a slightly changed format, with the final edition being folded with an insert page, photographs and a true journalistic style.
